GENERAL INFORMATION

During the day, automobiles will be furnished to take Old Timers for rides about the city, etc.

Transportation committee will look after your railroad arrangements.

Girl Scouts will gladly conduct ladies on shopping tours, locate friends, etc.

Boy Scouts will act in a similar capacity for the men.

For rooms in private homes, boarding houses, etc., make inquiry of members of Reception and Billeting Committee.

It must be distinctly understood that the various entertainments are exclusively for Old Timers and their wives. Owing to the large crowd expected, NO CHILDREN CAN BE TAKEN CARE OF.

Admission to the banquet and evening entertainment will be by cards or tickets, which will be handed members by Mine Superintendents. Do not expect to be admitted unless you can produce such cards or tickets. These cards of admission are positively non-transferable.

OLD-TIMER, COME TO THE FAIR

Come, Old-Timer! "Come to the fair,"
The city gates are open wide;
Your friends will all assemble there,
You'll see them when you step inside.
Luminous days! The sky is blue,
The hills, the old hills, green and brown,
Are waiting to smile down on you
Their cheery welcome to the town.

You'll hear the old and new bands play,
The wild, melodious pipes will skirl;
So come and spend with us a day,
And join us in the merry whirl;
And flags will wave from every roof,
And crowds will gather, large and small;
No one must stand that day aloof
When so much pleasure waits for all.

Out of the mist that shrouds the years,
The dear, dead years of long ago,
You may behold, amid the cheers,
The face of one you used to know;
And you'll shake hands and smile and smile
As Recollection lights the way,
And live again, just for a while,
With friends who loved you Yesterday.

So, Old-Timer! "Come to the fair,"
And help us form a gladsome throng;
All that we have we'll give or share
To make your life like some sweet song.
You gave us of your very best,
The rich experience of years;
Come now and be our welcome guest,
Receive our homage and our cheers.

FOR THE OLD TIMERS

June 10th, 1934

By DAVID G. THOMAS

(Dedicated to Old Timers' Association
Ninth Annual Reunion)

The town will be ablaze today
And radiant with thrills;
The wind will play its chimes and hum
A lyric of the hills;
For they've been drinking, quaffing from
The fragrant cup of May;
And now they nod and welcome you
On this Old Timers' Day.

Our hearts will glow with pride to see
You marching with the band;
And when we wave at you and shout,
We know you'll understand
That all the neighbors, young and old,
The loving and the kind,
Will proudly cheer you and will know
That none are left behind.

The banners waving in the breeze
With you become a part,
The bands that merrily ring out
Find echoes in your heart.
As you march forward, step by step,
Dressed in your best and—fine;
The gay parade would not be gay
If you were not in line.

O yes "there'll be a hot time" and
There's nothing left undone;
You'll find "the latch string hanging out"
To welcome every one!
'Twill be a frolic as of old,
Especially designed
To chase away the weary blues—
If any's on your mind.

So jog along and watch your step,
Enjoyment be your aim;
The troubles that annoyed you most
Were cares that never came;
Just let the old world roll along
In its accustomed way
While you bide with us for a while
On this Old Timers' Day.

The W. E. A. also recommended legislation to increase the equalization and general aid to public school to two million dollars for the 1947-49 premium, in order to offset increases in school salaries and expenses and losses in revenue caused by veterans' \$2,000 tax exemption law.

Other resolutions included hiring of a fulltime secretary, more emphasis on instruction in safety and health, tuberculosis tests for each student every four years, more information to teachers on their retirement program, increase of the retirement fund from one per cent to two per cent.

Mr. Jiacoletti was appointed by Mrs. Maurelia Smith, past president of the southwest district.

A LETTER TO MOM

Dear Mom:

Oh hum, am a little on the sleepy side. I got up early so I decided I would go and visit the eight o'clock home ec class.

I had just entered the room when there was a crash and a bang, and in came Jean Burford shouting, "Am I late? Am I late?"

Soon after that Joyce Milliken

came in: "I had to wait for a freight train." Finally everyone was there.

Gee, Mom, the clothes the girls are sewing on are really nice. I wish you could see Shirley Johnson's blouse. Hubba! Hubba! It is one of those off-the-shoulder affairs.

Joyce Milliken is making a turquoise and white eyelet dress, Julie DeForest, a melon dress with sleeves you almost get lost in, and Jean Burford is now about to make the final leap, finishing a dress she made from a formal.

Well, Mom, time is about up so I will run along.

Love and stuff,
Nosey Ned.

Building of Hanna's Gym Is Slowed by Dearth of Bricklayers

Completion of Hanna's \$100,000 gymnasium, auditorium and shop building is being seriously delayed by shortage of bricklayers, Supt. J. F. Jiacoletti revealed.

Concrete work on the first floor of the building has been completed, and sub-flooring has been laid for the gymnasium, and the entire building could be ready for use within a short time after brick layers arrive said Supt. Jiacoletti.

The 60 by 140 foot building is to replace the auditorium, gymnasium, and shop which were destroyed by fire a year ago. Arrangement of facilities will be much the same as in the old building, but the basketball floor will be considerably larger. The new building will be almost completely fire proof.

Daily basketball practice now is being conducted in the Finn Hall with one practice a week in the Rawlins gymnasium. Hanna high's home basketball games will be played in the Rawlins high (Continued on Page Three)

PEACE ON EARTH, GOOD WILL TOWARD MEN

"Peace on earth, good will toward men." This is what the angels said to the shepherds that night long ago when the Christ child was born.

Yes, that is what they said, and we say it every Christmas. We say it, but do we practice it? Maybe during Christmas but afterwards, oh no. If we practiced it, we wouldn't have wars and lose our fathers, brothers, sweethearts and husbands.

This year there are no empty places at the tables in most homes, for many have come back from the war. But what about those who will never come back? Let's think of them. They died so there would be peace on earth; now let's make sure there is.

Yes, this year not only during the Christmas season, but all through the year, let us practice those words, "Peace on earth, good will toward men."—Anna Boam.

The menu consisted of fruit cocktail, roast turkey, peas, mashed potatoes and giblet gravy, dressing, hot rolls, pumpkin pie, and coffee. The purpose of this dinner was to interest the eighth grade girls in taking home economics in high school.

The music of the phonograph could scarcely be heard above the noise of whistles, horns, and popping balloons, when the F. H. of A. sponsored game room Monday night, November 25.

Several games were played and dancing followed. Coke was sold and whistles, horns, and balloons were distributed to the many students present. Decorations from the dinner were left up for the dance, but before the evening was (Continued on Page Three)

Pioneer Receives Excellent Rating By The N. S. P. A.

The Pioneer for the 1945-46 school year has received a certificate of award and was rated excellent by the National Scholastic Press Association of Minneapolis, Minnesota.

Every feature of the paper, including balance, vitality, editing, feature articles and sports pages, were scored separately. "Peepin' Tom" column should be entirely excluded, more well written editorials are needed, and the sports page should create student interest in the sports, were a few adverse criticisms given by the N. S. P. A.

There is only one rating higher than the one attained by Hanna. This is All-American or superior, and the staff is striving to reach that goal this year.

SUPT. JACOLETTI BUYS NEW CAMERA FOR SCHOOL USE

The school has purchased a camera which is an Argus C-3. It uses 35 millimeter film. It also has the flashlight attachments and has a projector with which to show the pictures.

It is to be used for taking pictures of class plays and other activities, such as basketball games and other sports, including pictures for the annual. It takes a picture in 1/300 of a second, and will also take action pictures.

Handwriting Expert Entertains Pupils

Can you write with your teeth? J. L. Turner, handwriting expert, performed this feat while writing with both hands. Grade school and high school students witnessed this program January 7, at Love's Theater.

Mr. Turner also sang while writing with both hands, demonstrated three types of handwriting, vertical, backhand, and natural slant, and showed how to make fancy signatures.

"If you have anything you want to do, DO IT. Don't let anyone interfere, and 99 times out of a hundred you will find a way." This advice was given by Mr. Turner to anyone who wants handwriting skill. He warned, also, that muscular skill in your arms and hands must be developed, and you must know how to use your head.

The next assembly will be a couple, Reginald and Gladys Saubin, who will give a demonstration on Indian dances and customs, and show Indian clothing. This program will be held Tuesday, February 4th, at 9 a. m., in Love's Theater.

Second Semester Classes to Have Same Program; The "A" Team Will Complete Basketball Schedule, Following Vacation

School is half over! Pupils found few changes in the second semester schedule when they registered January 20. Band will meet at 1 o'clock and the general

science class will convene at 9 a. m. After a two weeks vacation from practice and games, the "A" team will resume its place on the basketball floor.

While the more experienced players were stewing in "disciplinary oil," the "B" team played the scheduled games Jan. 10 to Jan. 20.

An added pep feature will be the twirlers, who will perform with the band at basketball games.

Outstanding events for the coming semester will be: District B. Tournament, March 6, 7, 8; State Tournament, March 19, 20, 21, 22; Junior Prom May 3, and Banquet, April 26; Commencement, May 22; LAST DAY OF SCHOOL, May 23.

Verona Triplett Enrolls.

Coming from Rock Springs high school, Verona Triplett recently joined the junior class at Hanna high school.

1947 Yearbook Will Be Bigger and Better

Plans are under way for the preparation and completion of a better and bigger annual than last year's book. This year's book will be larger. The heavy white cover will have a miner in the school colors, orange and blue. This mascot was designed especially for the Miner by Mrs. Warren Dirks.

The annual will contain more and better picture pages, a special elementary section, and more interesting copy.

The journalism class of Hanna high school has taken over work on the annual. The special staff consists of Lucille Lappala, editor; Anne Briggs and Pat Evans, assistant editors; Anna Boam, artist; Birchall Bundy, assistant artist; Barbara Veitch, business manager; Grayce Bamber, assistant business manager; Barbara Bailey, typist; Joan Cook, senior history; Julie

DeForest, junior history; Adele Veitch, sophomore history; Margaret Freeman, freshman history; research, Jean Burford, Louise Gaskell, Shirley Johnson, Margaret LaBrie, Darlene Lefforge, and June Trent.

The Master Engravers of Portland, Oregon, will do the printing. Members of the journalism class will take orders for the Miner soon. The price will be two dollars.

SONG CONTEST WINNERS STILL UNDECIDED

A song contest was held in Hanna high school during the week of January 6, under the supervision of Mr. DeForest Shotwell, music instructor.

Winners have not been decided as yet, but several songs are under consideration. Pep songs chosen for consideration were Carl Reed's, Leonard Dunn's and Grayce Bamber's.

Mary Sharp, Adele Veitch and Wanda Gaston were the lucky three picked for the Alma Mater song. These students will revise their songs before winners are selected.

Yes, Hanna high students proved that quite a number of them are musically-minded.

Juniors Raise Money to Finance Banquet-Prom

The juniors have the richest class in high school, with a total bank account of \$406.85.

After much hard work by individual members of the class Christmas cards, purchased from the Phillips Co. were sold by the mem-

The total proceeds from the cards was \$308.85, and the remaining \$98 was made from the junior class play.

The money will be used to finance the banquet and prom.

Faculty and Students Attend Famous Passion Play In Rawlins

The original Black Hills Passion Play, presented in the Rawlins high school auditorium January 8 and 9, was attended by a number of students and members of the faculty.

Those who attended were Miss Bleskestad, Miss Goins, Miss Longacre, Miss Ellis, Barbara Veitch, Ruth Boam, Don Bell, Grayce Bamber and Mrs. Wm. Veitch.

Miss Bleskestad stated, "The Passion Play was excellent."

"This play is the most wonderful thing I ever saw; it was beautiful," Ruth Boam stated, as she left the play.

The play was sponsored by the Rawlins Lions Club.

"Caution Is the Guardian Of Safety" Is the Winner

"Caution is the guardian of safety," by Joyce Milliken, was the

prize-winning slogan for the month of January. Ruth Boam, Margaret Freeman and Birchall Bundy received honorable mention.

THE THOUGHTS OF GREAT MEN

We all know the history of Washington and Lincoln;
We know of all their famous deeds.
We say they were great, and deserve much credit;
But did we ever wonder what their thoughts would be,
If they ventured in on our world today.
They would probably think we were the same hard fighters,
That stand up for what we think to be right,
And accept the consequences to defend our beliefs.

They may think the youth of today is outspoken and radical,
When compared with uneducated and timid youth of their day.
Customs and fashions of both young and old,
May seem to them both harsh and bold.
But no matter what they would think of our world today,
Maybe it would now be different if we hadn't had them to start us off in the right way.

—Pat Evans

SAVE IT! SAVE IT!

Which hat shall I buy—the \$12.00 or the \$10.00?
Oh, please, buy the \$10 hat.
Just remember, you will save two dollars with which you can buy the 1947 Miner. I know the \$12 hat has more sequins on it, but the Miner has many good pictures and histories that will certainly please

you, and you will never regret the decision you made to spend the \$2 for it.

Just think of all the fond memories that will be brought to mind when you glance over the pages of the 1947 annual—shall we say ten years from now?

MUCH A-DO ABOUT NOTHING

Several weeks ago some of the boys on the basketball squad decided that they would like to get in the swing of the country, and pulled a "walk-out" on Coach Fuller. Much was said by many on both sides of the question, with few knowing the complete facts.

Today, facts need no discussion, since the whole thing has been straightened out, and the boys and Coach are again on the best of terms. Therefore, we can just pass up the cause, but I feel that more could be said about the effect.

An incident of this type in any community causes much discussion, and many things are said that most people are sorry they ever said. Youth forgets everything that has happened very soon after there has been an agreement reached, but adults do not forget that rapidly. An adult remembers things that were said, and it takes much time for them to forget, especially if the remarks were unfavorable toward them, and they did not have the complete facts.

In all cases there are always two sides to any story, and both

sides should be taken into consideration.

The boys who knew the facts, and the Coach who knew the facts, have come to an agreement, and are now out fighting for Hanna high school with everything they have. They have forgotten the matter, so it behooves all of us adults to do the same, as I am sure that this will be the only sure way that will assure us that the team and the Coach will work harder towards the championship team for which they have been working all year.

We must not forget the boys that took over and made the western trip while the regulars were "out." They lost all four games, but not once did those boys stop fighting. Watch those boys take over within two years. They should be tops in the state, so far as "B" schools are concerned.

PEEPIN' TOM

The Holidays really broke up a lot of romances, for example:

Julie and Boam—What happened, Julie? You're not saying much.

Margaret and Roland—You better get him back, Marg; look at the car he's got.

Charlie and Lucille—That's a romance that started during the holidays and broke up in the holidays (Right.)

Squirt and Jean—Broke up New Year's eve, but right now it looks as if it is on the road to recovery.

Now let's see what CUPID'S been doing:

The Sharp-Love combination has been getting along nicely. How about it, David and Mary?

Bob B. and JoAnn J. have been making regular trips to Tipperary together.

Cupid hit Childers and Adele hard. Isn't love grand?

Yes, folks, some romances are even old ones:

Rachel and Frankie; Barbara and Don; Grayce and Teddy; Joyce and George; Shirley and Tommy; Wanda and Teddy; Pat and Orson; Bette and Bob; Dar and Shorty.

That's all. See you next month.
TOM.

WHAT! TESTS AGAIN!

What! No gray hairs yet? You were expecting some, weren't you? In spite of the fact that we all expected our hair to turn white from semester tests, they weren't so hard, especially for those who had studied hard all year and were exempt.

Every pupil with an average of 90 or above was exempt from his tests, so you see it pays to study.

Overflowing Crowd Witnesses Grade School Christmas Operetta

An overflowing crowd attended the Christmas operetta, "She Didn't Believe," at Love's Theater December 19.

In addition to the operetta, the glee club and the band gave musical selections. And Santa Claus treated the youngsters with a bag of candy and oranges at the end of the program.

Climaxing many weeks of work and starting out a bright and cheery Christmas vacation, the high school students, under the direction of Mr. DeForest Shotwell, music instructor of the Hanna schools, sang Christmas carols on the afternoon of December 20.

Three movies were shown, and school was dismissed until January 6, 1947.

"B" SQUAD PLAYS BAGGS

Experience was gained by the "B" squad on their three-day western trip, when they played Baggs January 10, there. Although coming in second, the boys played a good game. The score by quarters was: Baggs, 2, 13, 20 and 22; Hanna, 2, 2, 7, and 16. George Shyne and Doug Childers were the high-point men. All ten men taken by the coach played.

TIDBITS FROM AFAR

Here are a few tips for the juniors and seniors who have received or will soon receive class rings. While in school, the inscription should be worn toward the wearer; when out of school, the inscription should be worn toward others. When boy and girl trade rings it usually means that they are going steady. Girls are cautioned to fit the ring for the left hand, in case of future developments.—Laramie Plainsman.

Nancy Slain won Rock Springs' slogan prize with, "Drive toward others as you would have them drive toward you."—Sagebrusher, Rock Springs.

DEAR MOM

Dear Mom:

Well, old dear, this is the first letter I have written to you for some time—the first letter of the new year, to be exact. Here is hoping 1947 will be full of loads of happiness for you and yours.

I'm sitting in study hall and not doing much, so I will tell you a little about our commercial department, which is headed by Miss Helen Goins.

The typing department is divided into two sections, beginners and advanced typists. And, Mom, from frowns, sighs and discouraged looks, typing must be an ordeal for some students.

Once or twice a week both classes are given five-minute speed tests, testing each student's accuracy and speed. Barbara Bailey is leading in the advanced class with 59 words, but Lucille Lappala is not far behind with an average of 55 words a minute. In the beginning class, Patricia Evans is out in front with an average of 41 words, while Verona Triplett is second with 38 words a minute.

You would be amused at the tension if you were ever present during one of these tests, Mom. I have been in only one class, and was it interesting to watch different members of the class. Everyone takes a deep breath, then puts his shaking hands on the keyboard. Miss Goins says "Go", and they are off. Some type fast and with confidence, while others are struggling to try to figure out just which fingers to put down next. Everyone prays that those five

Team Wins Three Games on Pre-Holiday Trip

A pre-holiday basketball trip was undertaken by Coach B. Fuller and his boys during the week of Dec. 16 to 20. They played Guernsey Dec. 16; Mitchell, Neb., Dec. 17; Albin Dec. 19; Carpenter Dec. 19, and St. Mary's of Cheyenne Dec. 20. The following are the results:

Hanna 30, Guernsey 31

The Hanna Miners came out of the dressing room to meet the Guernsey Longhorns in a battle clashing game, which they lost by one point. It was during the last minutes of the game that Hanna came from behind and scored 10 points to outplay the Longhorns, but couldn't quite make the lead. Therefore, when the game ended the score was 30-31.

Hanna 36, Mitchell 21

For the first time in Hanna's history, the Miners went out the state to play a basketball game. The team played was the Mitchell Tigers. After the loss to Guernsey, the Miners decided to take it out on Mitchell, and did, by a score of 36-21. High point men were Rae with 11, Freeman with 10, and Tanfield with 9.

Hanna 36, Albin 31

Since Albin defeated Hanna last year, the Miners took it on themselves to see that this year the tables would be turned. At the beginning of the game and all through it, they had the determination that they would come out on top. And they did just that, making the score 36-21. High-point man for this game was Tanfield.

Hanna 30, Carpenter 28

The Hanna Miners were also successful in bringing another victory home for Hanna. The boys were rearing to go, and really were "on the beam." In the first and third quarters, the second team played; while in the second and fourth quarters the first team came in to bring up the score. Fourteen points were made in the last quarter. The final score was

30-28. High-point man was Mike Stavrakakis.

St. Mary's 31, Hanna 22

On the Miners' last trip, they met St. Mary's at Cheyenne. The team was tired, but they were ready to do their best for Hanna. They fought with all their might, but St. Mary's kept the lead and came out on top with a score of 31 to 22.

TEN BOYS MAKE BASKETBALL TRIP

Lyman was the highlight game of the three-day western trip, when the Miners played Kemmerer, Lyman and Mountain View.

In the Lyman game, the score at half time was 13 to 14 in favor of the Miners, but then Lyman came back with a fast break, which put the Hanna boys behind, with the game ending 40 to 20 in Lyman's favor.

Kemmerer won over Hanna with a score of 36-12, and Mountain View won 75-23. Mountain View played only six of their best men from their ten-man squad.

George Shyne, Doug Childers, Jack Tanagawa and Gerald McArdle were high-point men.

Other boys making the trip were Don Bell, Robert While, Joe Lee, Duane Johnson, David Love and Bob Bailey.

F. H. OF A. NEWS

Before members met to go Christmas caroling, they went to the recreation room, which was decorated in Christmas colors of red and green, with a pretty little Christmas tree in the center of the room. Louise Gaskell, Lucille Lappala, and Shirley Johnson decorated the room. Many "Ohs", "Ahs" and "Mine is the best present," were heard, as the girls opened presents. Refreshments were served by Mrs. Simmons.

At the Christmas program the F. H. of A. chapter gave a large dolly and a basketball to a girl and a boy. The winners were

SENIOR FORMAL HIGHLIGHTS THE HOLIDAY SEASON

The senior formal was held in the high school assembly, with a large crowd in attendance. The Christmas motif was carried out as the decoration. The ceiling was white, with red and green used in the hall, assembly room, and punch stand. Christmas wreaths, Santa Clauses and trees made up the remainder of the decorations.

The promenade, which included all seniors and juniors, was held after the sixth dance, and was led by senior class president, George Ebsen, and his partner, Joyce Miliken.

Mark Jackson and his orchestra furnished the music, and punch was served to the guests by Alice Hapgood and Patsy Shyne.

This senior prom was under the direction of Supt. J. F. Jiacoletti, class sponsor.

Hanna Youth Completes Studies at University

Fred D. Rider, son of School Trustee and Mrs. Frank Rider, has recently completed his under-graduate work at the University of Wyoming, and will receive a Bachelor of Science degree with the graduating class in June, 1947.

Rider has been enrolled in the Division of Commerce, majoring in the field of Business Administration. During his last year of school he served as vice-president of Alpha Kappa Psi, professional commerce fraternity, and as the Commerce Club representative to the Student Senate. The Student Senate is the governing body of the students of the University.

Deane returned to his studies at the University in September, 1945, after serving three years in the army air forces.

GRADE NEWS

First Grade Notes

After a two weeks Christmas vacation, we are back at work. An epidemic of colds has kept many of us at home lately.

Those having perfect attendance for the first semester are David Evanson and Grace Palleson.

In our reading classes we are using the Primer "Fun With Dick and Jane." Work in numbers is being done in our workbooks. Language for us is made up of learning poems and using short sentences in describing experiences.

Fourth Grade Notes

The fourth graders came back from Christmas vacation ready for work, and are busy studying for semester examinations.

Toy Day was enjoyed by us all. We each brought our favorite Christmas toy or gift. Then we visited the 3rd and 5th grades, displaying our gifts and each telling why he liked his gift best. Our visit was repaid by the 3rd and 5th graders on their Toy Day.

Sixth Grade Notes

With semester test time here, we look up from our books just long enough to wish Hanna a Happy New Year. But while we are thinking of the new year we are also remembering the old, especially the way it went out.

The last week of school was a jumble of practices, decorating and party planning. We had all worked hard on the operetta, either as choir members, merchants, or housewives. Ice cream and chocolate cake, presents and games were each a vital part of the Friday afternoon Christmas

party. Our room looked pretty with its Santa Claus posters, trees, paper garlands, and little paper candle decorations.

Right now, in art, each member is making one of the United Nations flags. This is going hand in hand with a project on the U. N. O., being carried out in social studies. The Choral reading unit in the new readers, "Traveling New Trails," has proven quite thrilling. Perhaps the high school above us, too, hears the loud refrains from some of the more lively poems.

Like all well-meaning groups, the 6th grade has made a resolution for the new year—just one big important one that we want to keep, "SPEAK KINDLY."

How few there are who have courage enough to own their faults, or resolution enough to mend them!—Franklin.
