Mr. J.A. Smith,
Union Pacific Coal Co.,
Rock Springs, Wyo.

Dear Jack:

Your letter of October 25 arrived when I was out of town, and I understand from the office that you got the desired information.

I am enclosing sets of the pictures we made with Jim Marshall. Will you hand them around where they belong.

Everything is going smoothly enough around here now, and I am hoping and expecting to stay in town until after the first of the year.

Please give everybody my regards.

Sincerely,

W. A. Coons
