

Random Stimulus (http://en.wikipedia.org/wiki/Random_stimulus)

What does this image have to do with library programming?

- A culinary lecture series
- we set out the tools for patrons to use
- order, tools, standards
- it's consumable
- different audiences
- often rules to programming
- cooking classes
- tools set
- programming - utensils = both tools to enrich people
- Provide service for all types of learners
- civility, symmetry
- We want people to eat up our programs?
- nourishing the mind
- Reusable--not disposable!
