

## **Staff Training Ideas**

- Our service agencies have provided training and support and I sent my public service desk staff to the Mental Health First Aid training - very valuable; a poverty simulation training is also useful
- Staff has participated in "Bridges of Poverty" training - very helpful.  
How to refer patrons to services  
provide staff training on mental health in partnership with JCMH
- I would love more info on due process
- Compassion Fatigue Training is a must too
- Trauma Informed Care
- Value vs Rule based policies
