

## Potential Partnerships and/or Speaking Engagements

- Served on Chamber Board
- Networking Events, Presenting at Local Organizations, Joining Committees
- On a United Way committee, and a downtown district committee
- Business librarian attends CoC meetings as well as partner with the local community college
- Active with local young professionals network, multiple business associations. We've got a pretty active startup scene, so I'm a regular presence at [1 Million Cups](#), etc.
- On a Go Green committee
- Active with students at the university
- I am on the Chamber, the starting the new community endowment fund, facilitator of the community beautification team, member of the CLiC board, member of the Women's Progressive Caucus
- Military bases (many service men and women need help transitioning to civilian life)
