Grade Level Reading Skills

Find information about GLR skills here.

Our goal is to create literacy-based programs for K-3rd graders to practice and gain confidence reading, and for the caregivers in their lives to learn about DPL tools and resources, as well as ways to foster family engagement beyond the library. Literacy-based programs include activities to support one or more of the GLR Skills. Literacy-based programs can take many forms (drop-in, time specific, etc.).

Insert activities or stations in the column's they support:

Fluency	Background Knowledge	Comprehension	Reading Motivation	Decoding
