SCF-E Library Art Journaling Program

Welcome

This is a six-week program, 5 of which we will meet in the library on Sunday afternoons (1330-1530) on March 17, March 24, May 1, May 8 and May 15, 2022 (barring Facility disruptions)

We will be preparing and using used books for our journals, however, you can bring and use your own journal and supplies.

Please review the attached schedule. For a full experience, attending all sessions and completing all of the prompts is essential to a successful and fulfilled experience. Plan to stay the entire session to clean up and account for supplies and equipment.

We will start the Sunday Sessions with a physical exercise. Don't worry, this is like Tai Chi so it will not be strenuous. The goal is to get the creative blood flowing. Please be on time so we can do this as one group. I will try to let you in the Education building at 1320, if not then as soon as an officer can be present in the building.

UGLY NOTE: The library only gets \$100 a year for supplies for all of our programs combined and some supplies are paid for by staff. The taking of Library supplies and equipment will not be tolerated, so if your goal is this, please do not attend this program. If you choose to go ahead and take the library supplies and/or equipment, video will be reviewed, cells will be searched and charges will be brought up. Every program session seems to end up having missing supplies and I'm not accepting those people who ruin our effort to bring worth-while programs to you and others.
